## Meets Once a Month

### Writing Skills

# of seats 12

Tuition: \$50

Class Description: Writing is a vital part of success in high school and college level classes. There are tons of tips that can help you crack the code of good writing. Join us as we learn about plagiarism, citing sources, rough drafts, outlines, and other skills that can be applied at home to help take your writing to the next level.

### Life Skills

# of seats 12

Tuition: \$50

Class Description: Before those big kids move out of the house and out into the real world, it never hurts to review some essential life skills. From filling out your paperwork at a new doctor's office to applying for a loan to purchase a car, we'll take time to hear guest speakers tell us about how to tackle some of these tasks. We'll participate in a mock monthly budget simulation where students will have to pay their bills with their assigned income to experience what it's like to live in the real world.

### High School Music

# of seats 12

Tuition: \$60

Class Description: We will meet monthly to explore all areas of the musical world. We will learn about and play various instruments. We will explore and learn about music history and theory. We will also explore aural skills such as singing and listening to various styles of musical genres.

### **Coding**

# of Seats 4

Tuition: \$50

Supply Fee: \$15

Class Description: This course will consist of directed individual projects that cover the fundamentals of computing and computer programming. Students will complete projects designed for their interests and prior experience. Projects might include anything from app design to robotics to video games - anything in the realm of computing.

### **High School Painting**

# of seats 12

Tuition: \$60

Supply Fee: \$15

Class Description: We will be creating monthly paintings on canvas. The teacher will introduce students to art terminology and techniques which will allow them to further develop their artistic abilities. At each meeting, the teacher will walk students through using the techniques learned to create their own piece to take home.

### **Farm Biology**

# of seats 12

Tuition: Free

Class Description: This class focuses on hands-on activities that explore the biology of the farm. We will learn what makes a farm function from the microorganisms in the compost pile to the large cows strolling around the pasture. This class utilizes our local Conservation and Agriculture organizations to enhance the class with live demonstrations and guest speakers.

### **Chess Club - Monday Class**

Time: 11-12pm

Class Dates: 2/1, 3/1, 4/5, \*5/4

\*Tuesday Class Meeting

# of seats 16

Tuition: Free

Supply Fee: \$15

Class Description: Playing chess helps to develop many mental skills that are useful in life, such as: logic, strategic and tactical thinking, planning and preparation, and problem-solving. Chess Club provides an opportunity to simply have fun playing the game and making friendships, while building these skills at the same time. Chess Club is open to all students, regardless of skill level. Whether you are a skilled player who wants to sharpen your skills or you're a beginner who wants to learn how to play the game, we welcome you.

## **Meets Twice a Month**

### **Sewing**

Session I: 9-10am

Session II: 10-11am

Session III: 11am-12pm

# of seats: 12 (3 per session)

Tuition: \$120 per semester

Supply Fee: \$15.00

Class Description: If there's one homesteading skill that everyone should know, regardless of gender or age, it's sewing. Whether it's sewing on a quick button or repairing a small tear in a pair of pants, sewing is an invaluable skill. Join Mrs. Ruth Slade-Sargent, twice a month, to hone your threading, stitching, and mending skills. Learn from Mrs. Ruth's years of experience and love for this art of craftsmanship. This is a beginner level sewing course, that will start with the basics of sewing and step up in level as the semester progresses. Early classes will have small class inclusive projects, but will progress to a multi-class project that will span multiple class sessions. Students will learn sewing machine basics as well. Come join this laid back, fun experience, and leave with an invaluable skill.

# Meets Weekly

## Spanish

Time: 12:30-1:30pm

# of seats: 10 per session

# of seats: 4

Tuition: \$240 per semester (16 class meetings)

Class Description: Buenos-Dias! The best time to learn a foreign language is in youth. We are excited to be able to bring a foreign language class to The Country Schoolhouse with Mr. Adolfo Pardo. A native of Peru, Adolfo has spent time living in both South America and Europe, before moving to America with his family. He has taught his native language of Spanish in many different settings. This beginner level Spanish course will teach students the Spanish alphabet sounds and words by utilizing song, with Mr. Adolfo on the piano, as well as with games and recitation. Students will be introduced to the basics of the Spanish language of numbers, colors, and simple phrases.
